Full-Time Middle School Nurse-

Required Minimum Qualifications:

- Licensed as a Registered Nurse or as a Licensed Practical Nurse in the state of South Carolina
- Must have at least 5 years of nursing background for permanent school clinic positions

Functions: The practice of professional nursing by school nurses occurs within the complex and unpredictable school setting. The school nurse acts as a care provider, advocate, change agent, teacher, manager, and educator. The school nurse collaborates with other education and health care professionals to provide optimal nursing care to the school community.

Please send resumes and 2 professional letters of recommendation to
